Web Announcement 2659

All Providers and Staff Invited to Take Women's Preventive Services Initiative Awareness Survey by January 7, 2022

The Nevada Division of Health Care Financing and Policy (DHCFP) would like to encourage all providers and their staff to take a short survey regarding the Women's Preventive Services Initiative (WPSI) of the American College of Obstetricians and Gynecologists (ACOG). Participation is requested even if you are not familiar with the WPSI program.

The results of the survey will help the WPSI program gauge the reach of WPSI's recommendations and resource needs so that women's health professionals can get the tools and resources they need to provide preventive services to women.

The survey period is December 10, 2021, **through January 7, 2022**. Upon completion of the survey, participants will have an opportunity to enter a drawing for a chance to win a **\$20 gift card**. All survey responses must be submitted by 11:59 p.m. Pacific Time on the final day of the survey period.

Following is the link to the three-minute survey: https://acog.az1.qualtrics.com/jfe/form/SV_d59kNW3Hzm9aFYG

For more information regarding the WPSI, visit their website at: <https://www.womenspreventivehealth.org/>
